Social skills and competences I am able to work in groups and this ability can be traced back to my years at the university when I used to attend various group activities; after graduation I have always worked in a team environment. For me

teamwork in the workplace is an important factor for success. Relying on the individuals around me made me take correct and prudent decisions;

Organizational skills and competences	Good experience in organizing and managing activities. I gained experience from carrying on different duties and responsibilities, strengthened over time through repeated experience.
Technical skills and competences	Minor practical applications
Computer skills and competences	A good command of Windows programs
Other skills and competences	Athleticism
Driving license	B
